10 July 2015

To the shareholders of Mols-Linien A/S

Following the announcement by Polaris Private Equity IV K/S ("Polaris") of 3 July 2015 concerning our voluntary public offer for Mols-Linien A/S ("Mols-Linien") (the "Offer"), I am pleased to send to you this offer document which sets out the full terms and conditions of Polaris's Offer, which will be made through Polaris's wholly-owned subsidiary Holding af 29. juni 2015 A/S (the "Offeror"), (the "Offer Document")

The Offer Price is DKK 34 in cash per share. The Offer Price represents a premium of 41.1 per cent to the closing price on 2 January 2015 (the closing price six (6) months ago) and a premium of 21.9 per cent to the closing price on 2 July 2014 (the closing price twelve (12) months ago).

At the date of submission of the Offer, the Offeror has agreed to acquire 4,243,277 shares, equal to 29.95 per cent of the shares and voting rights. These shares will be transferred concurrently with the completion of the Offer, however not later than on 30 September 2015. In addition, the Offeror has received irrevocable undertakings at the date of publication of the Offer that it can acquire a total of 6,540,722 shares from Nykredit Bank A/S, Finansielt Stabilitet A/S and FS Finans III A/S, which have title to and/or a right of disposal of these shares, corresponding to an additional 46.24 per cent of the shares and voting rights in the Company, to the effect that the Offeror at the date of publication of the Offer (i) has agreed to, and (ii) has received irrevocable undertakings that it can acquire, 76.19 per cent of the shares and voting rights in the Company.

The highlights of our Offer are as follows:

- DKK 34 in cash per share corresponding to a total purchase price of DKK 481,666,780 for all the shares, which represents a premium of 41.1 per cent to the closing price on 2 January 2015 (the closing price six (6) months ago).
- The Offer is subject to (i) more than 75 per cent of the Company's outstanding share capital being obtained as well as (ii) the customary terms and conditions set out in Clause 3.7 of this Offer Document.

The background to the Offeror's Offer:

In the opinion of the Offeror, Mols-Linien is a good and well-managed business which has been through a turn-around process since 2011. The Company is today a strong and competitive alternative to traffic across the Great Belt and an important part of Danish infrastructure.

Operating ferries is a capital-intensive and potentially cyclical business which requires continuing investment and strong capital resources. Mols-Linien has successfully updated its fleet, but is still facing major capital expenditure in order to further develop and enhance ferry services between western and eastern Denmark. The Offeror believes that, with a new ownership structure, Mols-Linien would to a greater extent be able to make the necessary investment and better realise the Company's potential in the long term. As a long-term owner, the Offeror will contribute to financing and supporting capital expenditure, which would be more difficult under the current ownership structure.

The largest shareholders of Mols-Linien have for a long time wanted to sell their shares. This has provided the opportunity to enter into the irrevocable agreements to acquire shares that is underlying this Offer.

Overall, the Offeror believes that Mols-Linien can best be further developed for the benefit of both customers and employees if the company's shares are delisted from NASDAQ OMX Copenhagen A/S. Against this background, I encourage you to accept our Offer.

Yours sincerely

Jan Johan Kühl

2. Background to the Offer and plans for Mols-Linien

2.1 Process Leading to the Submission of the Offer

As described in Clause 2.2, Polaris is of the opinion that the potential and development of Mols-Linien can best be supported by a long-term owner outside the stock exchange.

In the spring of 2015, Polaris initiated a dialogue with Nykredit, Finansiell Stabilitet, FS Finans and Clipper regarding acquisition of the Shares they hold or have title to and/or a right of disposal of by way of irrevocable powers of attorney to effect sales. The dialogue led to the conclusion of the Transaction Agreement underlying this Offer.

Polaris has since the beginning of June 2015 had access to making limited due diligence investigations, including interviews with the Company's Board of Directors, Board of Executives and selected key employees.

Based on this process and the Transaction Agreement, Polaris has submitted this Offer through its wholly-owned Subsidiary Holding af 29. juni 2015 A/S. Reference is made to Clause 3.25 of the Offer Document for a further description of the Transaction Agreement.

2.2 Background to the Offer: Strategic rationale

In the opinion of Polaris, Mols-Linien is a good and well-managed business which has been through a turn-around process since 2011. The Company is today a strong and competitive alternative to traffic across the Great Belt and an important part of Danish infrastructure.

Operating ferries is a capital-intensive and potentially cyclical business which requires continuing investment and strong capital resources. Mols-Linien has successfully updated its fleet, but is still facing major capital expenditure in order to further develop and enhance ferry services between western and eastern Denmark. Polaris believes that, with a new ownership structure, Mols-Linien would to a greater extent be able to make the necessary investment and better realise the Company's potential in the long term. As a long-term owner, Polaris will contribute to financing and supporting capital expenditure, which will be more difficult under the current ownership structure.

The largest shareholders of Mols-Linien have for a long time wanted to sell their shares. This has provided the opportunity to enter into the Transaction Agreement to acquire shares that is underlying this Offer. Reference is made to Clause 3.25 of the Offer Document for a further description of the Transaction Agreement.

Overall, Polaris believes that Mols-Linien can best be further developed for the benefit of both customers and employees if the Company's Shares are delisted from NASDAQ Copenhagen.

2.3 Plans for Mols-Linien

The Offeror intends to continue the Company's positive development in close collaboration with the Company's management. This is expected to involve, among other things, additional capital expenditure to grow and further develop the Company and increase its market share relative to alternative transport options. This growth and further development will be supported by the Offeror's active ownership and access to venture and long-term capital.

The Offeror sees a potential in strengthening Mols-Linien as an attractive alternative to the Great Belt Bridge by operating a modern, up-to-date fleet, providing competitive pricing, optimising and increasing the number of departures and by keeping a focus on further improving the customer experience.

As a long-term owner, the Offeror intends to work with the Company's current management and employees to execute and further develop the Company's strategy and operate ferry services between Odden and Aarhus and Ebeltoft, respectively.

The Offeror will request that the Board of Directors convenes an extraordinary general meeting in Mols-Linien immediately following Completion for the purpose of (i) electing new members of the Board of Directors, and (ii) authorising the Board of Directors to decide on the distribution of extraordinary dividends pursuant to the provisions of the Danish Companies Act. See also Clause 3.27 below regarding dividends.

The Offeror wishes to acquire all Shares.

If, upon Completion, the Offeror holds or acquires more than 75 per cent, but less than 90 per cent, of all Shares calculated in accordance with Clause 3.7, it will still seek to delist the Shares from NASDAQ Copenhagen. Within the framework of Danish legislation, the Offeror intends to be instrumental in delisting the Company's Shares with a view to creating the best framework for the Company's further development for the benefit of shareholders, employees and business partners.

If, upon Completion, the Offeror holds or acquires 90 per cent or more of all Shares calculated in accordance with Clause 3.7, the Shares will be delisted from NASDAQ Copenhagen after Completion, and a Compulsory Redemption of minority shareholders will be effected in accordance with Sections 70-72 of the Danish Companies Act.

Jobs for management and employees will be retained on substantially unchanged terms.

Mols-Linien is a company incorporated under the laws of Denmark. None of the members of the Board of Directors or the Board of Executives of Mols-Linien are residents of the United States. Furthermore, Mols-Linien holds no assets in the United States. As a result, it may be difficult for holders of securities in Mols-Linien to enforce measures in the United States against Mols-Linien, its directors or officers, or to enforce against them a judgment rendered by a US court on the basis of US federal or state securities laws.

3.6 Maximum and minimum amounts of Shares the Offeror undertakes to acquire

The Offeror undertakes to acquire a maximum of 100% of Mols-Linien's Shares.

The submission of the Offer is subject to and conditional upon the Offeror holding more than 75 per cent of the shares and voting rights of Mols-Linien on Completion of the Offer. See Clause 3.7.

3.7 Conditions

The Completion of this Offer is subject to and conditional upon the following Conditions being satisfied or waived, in whole or in part, by the Offeror acting in its sole discretion, prior to the expiry of the Offer Period:

- i. the Offeror owns or has received valid acceptances of the Offer in respect of more than 75 per cent of the Shares and voting rights (excluding the Company's holding of treasury shares) in the Company by the expiry of the Offer Period;
- ii. the Offeror obtains the merger control approvals required for completion of the Offer on terms which are not materially adverse to the Offeror;
- iii. no amendments to the Articles of Association of Mols-Linien have been adopted or registered after the Offer Date;
- iv. the Company does not issue or resolve to issue new shares or other financial instruments convertible into shares in the Company;
- v. the Company does not complete or enter into significant transactions (a "significant transaction" is defined as a transaction representing a value of more than 5 (five) per cent of the Company's total assets);
- vi. the Offer is not restricted or threatened to a significant degree by laws, litigation or regulatory decisions;

- vii. no Material Adverse Event has occurred during the period since the submission of the Offer;
- viii. the Company has not published any information with a content constituting a Material Adverse Event since the submission of the Offer.

Subject to the restrictions set out in this Offer Document, see Clauses 3.7, 3.8 and 3.9, the Offeror reserves the right to withdraw the Offer if one or more of the Conditions listed above have not been satisfied by the expiry of the Offer Period. Upon withdrawal of the Offer, the Offer will lapse irrevocably and any agreement to sell or buy Shares concluded as a result of a Shareholder's acceptance of the Offer will have no legal effect and will terminate. In the event of such withdrawal, the Offeror will not be required to purchase any Shares tendered in the Offer, and any acceptances to tender Shares will have no legal effect.

Except as set out in this Offer Document, the Offeror may waive or reduce the scope of one or more of the Conditions listed above by publication of a Supplement to the Offer Document. Any such waiver or reduction shall not entitle Shareholders who have accepted the Offer to withdraw their acceptances.

Any Supplement regarding such waiver or reduction of the scope of the Conditions or withdrawal of the Offer will be announced through the Danish FSA, NASDAQ Copenhagen and through electronic media, if and to the extent required under applicable laws, rules and regulations, prior to the expiry of the Offer Period. Consequently, the Offeror reserves the right to maintain acceptances received and to Complete the Offer at any time even if the Conditions listed above have not been satisfied in full or in part.

3.8 Extensions

The Offeror may extend the Offer Period to expire at a later date than 12 August 2015 in accordance with applicable law, rules and regulations, if at such time:

- any of the Conditions have not been satisfied, waived or reduced in scope,
- a Competing Bid has been submitted; or
- such extension is required by applicable law, rules or regulations in order to obtain all necessary regulatory approvals and clearances, including any relevant merger control approvals.

The Offer Period may not, in aggregate, exceed a maximum of ten (10) weeks from the Offer Date, but may be extended beyond the ten (10) weeks for the purpose of regulatory approval, however not beyond nine (9) months from the Offer Date.

In the event that a Competing Bid has been publicly announced and not withdrawn, the Offeror may choose to either withdraw the Offer or maintain it, in which case the Offer Period is automatically extended on one or more occasions so that it expires simultaneously with the expiry of the offer period (or any extensions thereof) for such Competing Bid.

Any extension of the Offer Period must be by a minimum of two (2) weeks at a time. The total offer period may not exceed ten (10) weeks, or nine (9) months in the event of an extension for the purpose of regulatory approval. See above for details.

If the Offeror waives or reduces the scope of one or more of the Conditions within the last two (2) weeks of the Offer Period, the Offer Period will be extended to expire fourteen (14) days after the publication of the Supplement. The total offer period may not exceed ten (10) weeks, or nine (9) months in the event of extension for the purpose of regulatory approval. See above for details.

If the Offeror improves the terms of the Offer within the last two (2) weeks of the Offer Period, the Offer Period will be extended to expire fourteen (14) days after the publication of the Supplement. The total offer period may not exceed ten (10) weeks or nine (9) months in the event of extension for the purpose of regulatory approval. See above for details.

Any extension of the Offer Period shall not constitute a renewed public offer.

Any extension of the Offer Period will be made by publication of a Supplement in accordance with Section 9(4) of the Danish Takeover Order. The Supplement will be announced by the Offeror through the Danish FSA, NASDAQ Copenhagen and through electronic media if, and to the extent, required under applicable laws, rules and regulations, prior to the expiry of the Offer Period. The Supplement will state the revised offer period, which will then be referred to as the "Offer Period".

3.9 Waiver or reduction of the scope of the Conditions

The Offeror may waive or reduce the scope of one or more of the Conditions by publication of a Supplement to the Offer Document. Any such waiver or reduction of the scope of the Conditions shall not allow Shareholders who have accepted the Offer to withdraw their acceptances.

3.10 Amendments

By publication of a Supplement to the Offer Document, the Offeror is entitled to amend the terms of the Offer if the amendment constitutes an improvement of the Offer.

If the Offeror amends the terms of the Offer as described above within the last two (2) weeks of the Offer Period, the Offer Period will be extended to expire fourteen (14) days after the publication of the Supplement. The total offer period may not exceed ten (10) weeks, or nine (9) months in the event of extension for the purpose of regulatory approval.

The Supplement will be announced by the Offeror prior to the expiry of the Offer Period through the Danish FSA, NASDAQ Copenhagen and through electronic media if, and to the extent, required under applicable laws, rules and regulations.

3.11 Compensation to Shareholders

No Shareholders are offered compensation pursuant to Section 344(2) of the Danish Companies Act.

3.12 Financing and warranty

The funds for payment of the cash consideration will be paid out of the Offeror's capital resources and credit facilities made available by the Danske Bank Group. The Offeror represents and warrants that it will have sufficient cash funds to purchase and pay for any and all Shares acquired in the Offer in accordance with the terms set out in this Offer Document.

3.13 Shareholder rights

Shareholders who have accepted the Offer may vote at shareholders' meetings of Mols-Linien and preserve their right to receive dividends and other distributions (if any) up until the time when Completion of the transfer of the Shares sold has taken place and legal title to such Shares has passed to the Offeror.

3.14 Rights attaching to Shares

Shares sold to the Offeror pursuant to the Offer must be free from any and all charges, liens and other encumbrances.

3.15 Other terms and Conditions of the Offer and amendments hereto

Notwithstanding that the Offer Price for Shares is designated as final, the Offeror has the option of improving the terms of the Offer, according to Section 25(1) of the Danish Takeover Order, at any time until the expiry of the Offer Period, including, but not limited to, the Offer Price for Shares, for the benefit of all existing Shareholders.

The Shareholders are bound by their acceptance throughout the Offer Period except where a Competing Bid is made. See Section 26(3) of the Danish Takeover Order.

According to that section, Shareholders who have accepted the Offer may withdraw their acceptance within three (3) weekdays after the competing offer document has been published.

In the event of a Competing Bid, the Offeror will be offering Shareholders who have accepted the Offer an extension of the period during which Shareholders may withdraw their acceptance by an additional twelve (12) weekdays in addition to the three (3) weekdays pursuant to Section 26(3) of the Danish Takeover Order. However, such offer of an additional acceptance period of twelve (12) weekdays will not apply if the Offeror chooses within the 12-day period to at least match a Competing Bid.

Shareholders who have made Irrevocable Undertakings (as stated in detail in Clause 3.25 of the Offer Document) are under a contractual obligation to withdraw their acceptance only if a Competing Bid is submitted, and provided that such Competing Bid is not at least matched by the Offeror within the first fifteen (15) weekdays of announcement of the Competing Bid.

Reference is made to Clause 3.25 of the Offer Document for a further description of the Transaction Agreement.

Should the Offeror increase the Offer Price for Shares and/or otherwise amend the terms and conditions of the Offer in favour of the Shareholders to the effect that such increased Offer Price for Shares and/or amended terms and conditions are at least as favourable to the Shareholders as the offer price

and/or terms and conditions of the Competing Bid, Shareholders who have accepted the Offer at a lower Offer Price for Shares or on less favourable terms and conditions will automatically be entitled to such increased Offer Price for Shares and/or more favourable terms and conditions, provided that the Offer is Completed. This also applies to the Shareholders who have made Irrevocable Undertakings.

Shareholders who have accepted the Offer will remain bound by their acceptance if the Offer Period is extended in accordance with Clause 3.8. The Offer Period may be extended by a maximum of nine (9) months with a view to obtaining regulatory approval, and it may also be extended in connection with one or more Competing Bids.

3.16 Open market purchases

The Offeror reserves the right to purchase or make arrangements to purchase Shares in the open market or through privately negotiated transactions, including the right to enter into irrevocable tender commitments with Shareholders in accordance with applicable laws, rules and regulations throughout the Offer Period. Such purchases may be made either directly or through a nominee or broker and shall comply with all applicable rules under Danish law, including the Danish Takeover Order. Any information about such purchases will be disclosed as required under Danish law. If, prior to Completion, the Offeror buys Shares in the market at a higher price than the Offer Price for Shares, the Offeror will increase the Offer Price for Shares correspondingly.

3.17 Purchases following Completion of the Offer

The Offeror reserves the right to purchase additional Shares at any given time following Completion, whether through open market purchases, privately negotiated transactions, or through one or more additional tender offers or otherwise. Such additional purchases may also, to the extent permitted by laws, rules or regulations, be made by Mols-Linien for cash or in exchange for assets.

If, during a period of six (6) months after Completion, the Offeror buys Shares in the open market on terms that are more favourable than those of the Offer, the Offeror will compensate the Shareholders who have accepted the Offer correspondingly. See Section 7(1) of the Danish Takeover Order.

3.18 Announcement of the result of the Offer

The Offeror will announce the preliminary result of the Offer through the Danish FSA, NASDAQ Copenhagen and through electronic media if, and to the extent, required under applicable laws, rules and regulations, no later than eighteen (18) hours after expiry of the Offer Period. The Offeror will announce the final result of the Offer within three (3) days of the end of the Offer. See Section 21(3) of the Danish Takeover Order. Unless the Offer Period is extended by a Supplement, such announcement of the result is expected to be issued no later than 15 August 2015. The announcement will state either that all Conditions of the Offer have been satisfied or that certain Conditions have not been satisfied, or have been waived, and that the Offer is consequently with-drawn.

3.19 Completion

At Completion, the Offeror will acquire title and all rights to the Shares in respect of which the Offer has been accepted, subject to the terms and Conditions of the Offer.

3.20 Settlement

The Offer will be settled in cash through the Shareholder's own custodian bank for Shareholders. Settlement of the sale and purchase of Shares pursuant to the terms of the Offer shall be effected as soon as possible and is expected to take place 3 (three) weekdays after the Offeror has announced the Completion of the Offer through the Danish FSA, NASDAQ Copenhagen and electronic media if, and to the extent, required under applicable laws, rules and regulations. The Offeror expects that settlement will be effected on or prior to 19 August 2015. An extension of the Offer Period to a date subsequent to 12 August 2015 will postpone the date of settlement. The new settlement date will be stated in the Supplement.

3.21 Brokerage fees and other costs

Any brokerage fees and/or other costs arising from the Shareholders' sale of their Shares shall be borne by said Shareholders, and such fees and costs shall be of no concern to the Offeror.

3.22 Settlement bank

Danske Bank A/S will act as settlement bank in connection with the execution of the Offer.

Danske Bank A/S

Fax.: (+45) 4355 1223

3.23 Tax considerations

The tax consequences for Shareholders in connection with an acceptance of the Offer depend on each Shareholder's individual circumstances. Shareholders are requested to consult their own tax advisors as to the tax consequences of their possible acceptance of the Offer.

3.24 Agreements on fees, incentive programmes, etc. to the management of the Company in connection with the Offer

The Offeror will not pay any remuneration to the Board of Directors or the Board of Executives of Mols-Linien in connection with the Offer.

To the knowledge of the Offeror, the members of the Board of Directors are not entitled to any transaction bonus in the event of Completion of the Offer.

A provision is included in the agreements made with the Board of Executives according to which payment of an extraordinary bonus of up to DKK 700,000 will be triggered in the event of a transaction. The Completion of the Offer will constitute such transaction and will thus trigger payment of the extraordinary bonus.

Neither the Offeror nor any Person acting in concert with the Offeror has concluded any agreement or amendments to any existing agreements on bonus schemes or similar incentive schemes for the Board of Directors or the Board of Executives, nor will any such agreement be concluded prior to the settle-

ment of the Offer, and no decisions have been made regarding the conclusion of any agreement or amendments to any existing agreements on bonus schemes or similar incentive schemes for the Board of Directors or the Board of Executives after the settlement of the Offer.

The Offeror is not obliged to, and does not, offer any compensation to Shareholders pursuant to Section 344(2) of the Danish Companies Act, since the Articles of Association do not provide for any special rights or limitations that may be suspended in the case of a takeover, see Section 340 of the Danish Companies Act.

3.25 Agreements relating to the Offer

The Offer is made pursuant to the Transaction Agreement. Pursuant to the Transaction Agreement, the Offeror has acquired Clipper Group Shares. See Clause 3.25.1 for further details, and has received Irrevocable Undertakings from the Nykredit, Finansiell Stabilitet and FS Finans, see Clause 3.25.2 for further details.

3.25.1 Acquisition of Clipper Group's Shares

At the time of submission of the Offer, the Offeror has agreed to acquire a total of 4,243,277 Shares corresponding to 29.95 per cent of the Shares in Mols-Linien from Clipper Group. These Shares will be transferred concurrently with the Completion of the Offer, however not later than on 30 September 2015. The share purchase agreement with Clipper Group A/S provides that the Offeror will pay DKK 34 per Share to Clipper Group in connection with the Completion of the Offer.

3.25.2 Irrevocable Undertakings

Nykredit, Finansiell Stabilitet and FS Finans have made irrevocable undertakings to accept the Offer for their Shares, including Shares that they have title to or a right of disposal of in the form of an irrevocable power of attorney to effect sales, on the terms and conditions of the Offer ("Irrevocable Undertakings") immediately after submission of the Offer.

Irrevocable Undertakings made by Nykredit, Finansiell Stabilitet and FS Finans may only be withdrawn as set out in Clause 3.32 of the Offer Document.

If the Offeror revises the Offer to the effect that the terms become more favourable to the Shareholders, such improved terms will automatically apply to the Shareholders listed above, and in that case the Irrevocable Undertakings referred to above will apply to the Offer on the revised terms.

3.26 Shareholder rights

Shareholders who have accepted the Offer may vote at shareholders' meetings of Mols-Linien and preserve their right to receive dividends or other distributions (if any) up until the time when Completion and settlement of the transfer of the Shares sold has taken place and title to such Shares has passed to the Offeror.

3.27 Dividends

Following Completion, the Offeror may, at any given time, resolve to make proposals to let Mols-Linien pay out dividends (ordinary or extraordinary) or make other distributions to the Shareholders, including the Offeror, within the first twelve (12) months after the settlement of the Offer.

After Completion, when Mols-Linien becomes part of Polaris's portfolio of companies, the capital structure of Mols-Linien will be adapted to reflect Polaris's requirements for efficiency and Polaris's financing policies. This may lead to a change in the capital structure of Mols-Linien resulting in an increase of Mols-Linien's financial leverage. Accordingly, the Offeror may resolve to make proposals to have Mols-Linien's Shares delisted from NASDAQ Copenhagen and to let Mols-Linien pay out dividends and/or make other distributions, including in connection with capital reductions, to the Shareholders, including the Offeror, after Completion so as to achieve this change in the capital structure of Mols-Linien.

As a consequence of the legal requirements in Section 10 of the Danish Takeover Order, according to which an offeror is required to disclose in the offer document whether or not it intends to pay out dividends or make other payments from the target company in the first twelve (12) months after completion of an offer, the Offeror has elected to provide information on the type and size of the payment that may occur in connection with such intra-group reorganization. Failure to disclose such information in this Offer Document would mean that the Offeror would not be entitled to receive dividends and/or any other distributions, including in connection with capital reductions, from Mols-Linien in the first twelve (12) months after Completion.

To avoid unintended restrictions as a result of the legal requirements in the Danish Takeover Order, the Offeror may pay out dividends and/or make other distributions from Mols-Linien, including in connection with capital reductions, of up to DKK 50,000,000, limited to the total of the distributable reserves of the Company, which the Offeror reserves the right to distribute from Mols-Linien in the first twelve (12) months after Completion. The actual amount of such payments may, ultimately, be lower.

3.28 Other plans for Mols-Linien

During the Offer Period, the Offeror may, in its sole discretion, interpose one or more companies as a direct or indirect Subsidiary of the Offeror.

3.29 Other agreements

The Offeror is not a party to any agreement not disclosed in the Offer Document which is material to the assessment of the Offer. Moreover, the Offeror confirms that all agreements of which the Offeror has knowledge and which are important when assessing the Offer have been described in this Offer Document.

3.30 No mandatory public offer

The Completion will not entail any obligation on the Offeror to submit a subsequent, mandatory public offer if, based on the Offer, the Offeror obtains more than 75 per cent of the Shares or voting rights in the Company. See Section 31(6) of the Danish Securities Trading Act. The Offeror will not submit a mandatory public offer.

3.31 Applicable law and jurisdiction

This Offer Document, including the Offer and any acceptance of the Offer, shall be governed by Danish law. Any dispute in connection with this Offer Document and the Offer shall be brought before the City Court of Copenhagen as the court of first instance or any other court to which the City Court of Copenhagen may refer matters relating to the Offer.

3.32 Withdrawal rights

The Shareholders are bound by their acceptance throughout the Offer Period except where a Competing Bid is made. See Section 26(3) of the Danish Takeover Order.

According to that section, Shareholders who have accepted the Offer may withdraw their acceptance within three (3) weekdays after the competing offer document has been published.

In the event of a Competing Bid, the Offeror will be offering Shareholders who have accepted the Offer an extension of the period during which Shareholders may withdraw their acceptance by an additional twelve (12) weekdays in addition to the three (3) weekdays pursuant to Section 26(3) of the Danish Takeover Order. However, such offer of an additional acceptance period of twelve (12) weekdays will not apply if the Offeror chooses within the 12-day period to at least match a Competing Bid.

Nykredit, Finansiel Stabilitet and FS Finans, who have made Irrevocable Undertakings (as stated in detail in Clause 3.25 of the Offer Document), are under a contractual obligation to withdraw their acceptance only if a Competing Bid is submitted, and provided that such Competing Bid is not at least matched by the Offeror within the first fifteen (15) weekdays of announcement of the Competing Bid.

Reference is made to Clause 3.25 of the Offer Document for a further description of the Transaction Agreement.

3.36 Documents relating to the Offer

Subject to certain restrictions and the terms set out in the Offer Document, the Offeror has requested Mols-Linien to send a copy of the Offer Document (together with the Offer Advertisement) to each Shareholder registered by name in accordance with common practice and for the Offeror's account. The Offer Document and further information on the Offer will, subject to certain restrictions, be available at www.polarisequity.dk/Molslinien.

In the event of a Competing Bid, the Offeror will be offering Shareholders who have accepted the Offer an extension of the period during which Shareholders may withdraw their acceptance by an additional twelve (12) weekdays in addition to the three (3) weekdays pursuant to Section 26(3) of the Danish Takeover Order. However, such offer of an additional acceptance period of twelve (12) weekdays will not apply if the Offeror chooses within the 12-day period to at least match a Competing Bid.

Shareholders who have made Irrevocable Undertakings (as stated in detail in Clause 3.25 of the Offer Document) are under a contractual obligation to withdraw their acceptance only if a Competing Bid is submitted, and provided that such Competing Bid is not at least matched by the Offeror within the first fifteen (15) weekdays of announcement of the Competing Bid.

Reference is made to Clause 3.25 of the Offer Document for a further description of the Transaction Agreement.

Should the Offeror increase the Offer Price for Shares and/or otherwise amend the terms and Conditions of the Offer in favour of the Shareholders to the effect that such increased Offer Price for Shares and/or amended terms and Conditions are at least as favourable to the Shareholders as the offer price and/or terms and Conditions of the Competing Bid, Shareholders who have accepted the Offer at a lower Offer Price for Shares or on less favourable terms and Conditions will automatically be entitled to such increased Offer Price for Shares and/or more favourable terms and Conditions, provided that the Offer is completed. This also applies to the Shareholders who have made Irrevocable Undertakings.

Shareholders having accepted the Offer will remain bound by their acceptance if the Offer Period is extended. The Offer Period may be extended by a maximum of nine (9) months with a view to obtaining regulatory approval, and it may also be extended in connection with one or more Competing Bids.
